PORN U.S.A

Porn is a ritual. In ancient times, porn was used by both male and female occult shrine and temple prostitutes to worship incorporeal entities (demons).

They prostituted their bodies as a form of religious sacrament and worship. In doing so they were initiating many host bodies for the incorporeal entities to use (demons).

Those incorporeal entities have been here on earth since days of old, when their forefathers, who were angels lusted after the daughters of men and came down to earth and took for themselves wives who bare a hybrid race of beings, who upon death, became the demonic entities. The women also of these fallen angels became demonic sirens.

These fallen angels taught all witchcraft and occult knowledge. They taught them MAGIC, SORCERY, INCANTATIONS, CHARMS AND SPELLS. *Charm is the power or quality of giving delight or arousing admiration. *Spell an invocation or hex, a set of words, spoken or unspoken, which are considered by its user to invoke some MAGICAL effect. Spells can be used in calling upon or summoning a demonic spirit and may employ mind altering substances AND PORN.

Porn is thus a means of summoning the demons.

Today porn has an astronomical impact on the human race. There are 12.5 videos of porn for every person on the planet. Porn is now arguably bigger than all the world religions combined.

In 2017, pornhub site alone received 28.5 billion annual visits from porn pilgrims. A total, 595,482 hours of video were uploaded to pornhub, the equivalent of 68 YEARS of porn if watched continuously and enough data to fill the storage of all of the world's iPhones!

When watching and indulging porn, one essentially enters into an altered and highly suggestible state of consciousness.

The porn triggered trance makes people wide open to demonic entities that feed off of sexual perversion causing many people to be insatiable, addicted, aggressive, depressive and indulging in all manner of wickedness.

Just like many mind altering drugs, porn causes massive addiction. Unlike drugs which many have to pay for, porn is freely available, because it is a portent weapon the illuminati use to further their evil agenda.

When porn went digital, the industry was consolidated and taken over by powerful shadow interests. Those interests are represented by a handful of giant corporations.

These corporations make their money through big data. They sell data to many corporations who take advantage of the entranced and highly suggestible porn users to advertise many things to them in billions of ad impressions a day. In this way, porn users are prostituted to make money for many illuminati corporations.

The real masters and controllers of the illuminati are demonic entities which thrive off of sexual sin and other related transgressions.

Porn is thus an evil illuminati Babylonian sex magic psyop, deployed to influence billions of people to accept and obey the illuminati agenda. It is a weapon of mass destruction, facilitating the evil agenda against mankind and creating many mind controlled slaves.

When one visits a porn site, their bodies, computer or mobile device essentially gets inhabited, tagged and tracked by demons and also by the illuminati technology.

Porn websites know so much information about users. They are essentially **BIG BROTHER WATCHING YOU** and they continue watching you long after you visited their site even if you did not subscribe, even if you are offline.

The last page in this publication details the one and only proven and tested way out of porn.

Please share this publication which includes free big porn data with as many as you can, this information needs to get out to the masses.

2017 State of the Union

0 comments January 16, 2018

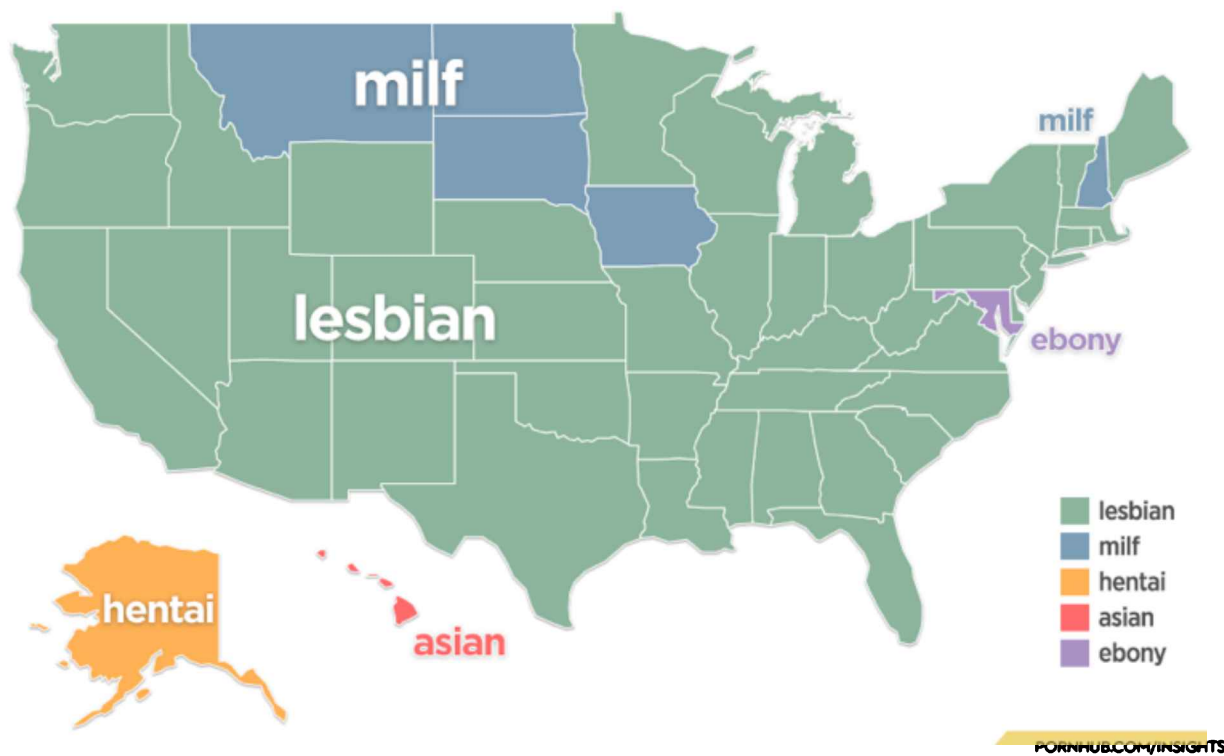

Since the release of our [2017 Year In Review](#), we haven't stopped looking into the results! Our friends over at [Mashable](#) asked us to take another look at some of the stats, but this time with the most popular searches by each state in the USA. They might all fly one flag, but the states aren't always united in their taste for porn.

'Lesbian' is the number one most popular searched term by almost all of the states, minus Montana, North Dakota, South Dakota and Iowa! These states and New Hampshire had MILF as their most searched term for the year. Alaska was more interested in 'hentai' (a genre of [anime](#) and [manga pornography](#)) in 2017, and visitors from Hawaii favored 'asian' as their top search.

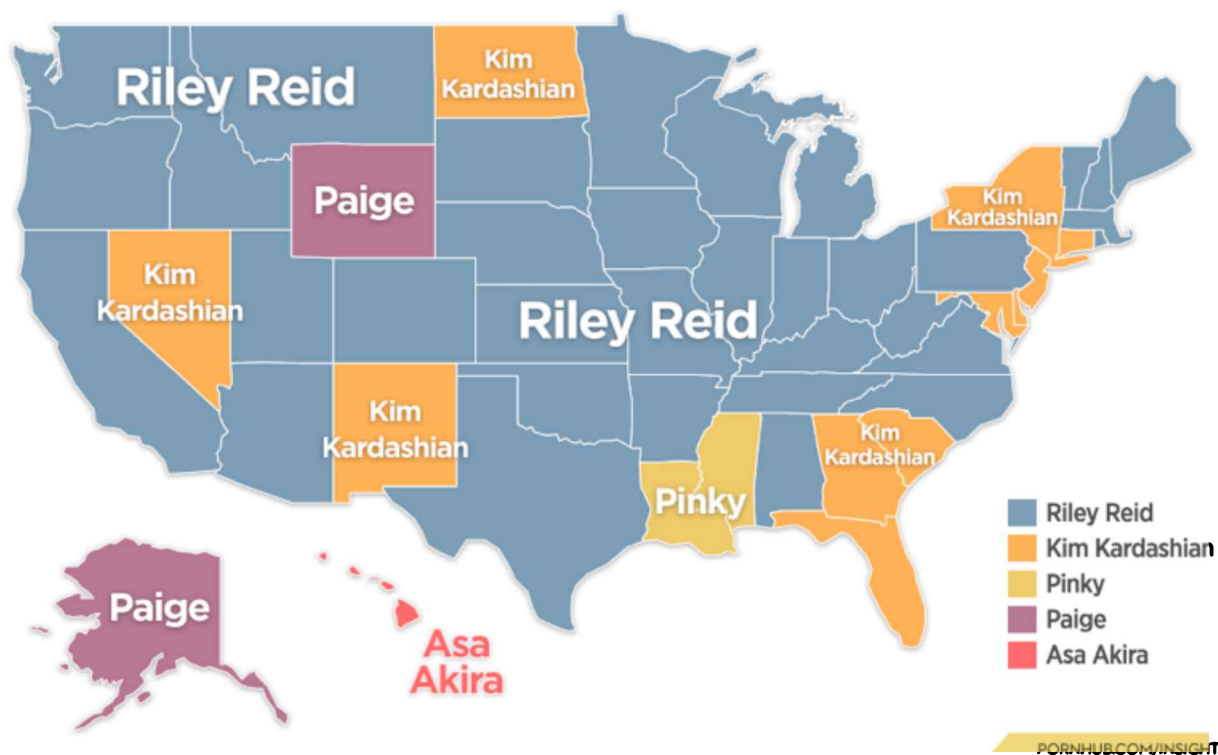

Most Popular Search Terms by State

When it comes to pornstars, Riley Reid (nsfw) was 2017's top search across most of the U.S., with Kim Kardashian (nsfw) being the favorite for Nevada, New Mexico, North Dakota AND of course the hotter, hot spots like Florida, Georgia and South Carolina. The other most searched for pornstars include Pinky (nsfw) in Mississippi and Louisiana, and Paige in Wyoming and Alaska. Paige is actually a WWE wrestler (competing in the first-ever women's Royal Rumble match later on this month... TBC) who had a sex tape released in 2017, which accounts for the high increase in curiosity and searches!

Most Searched for Pornstars by State

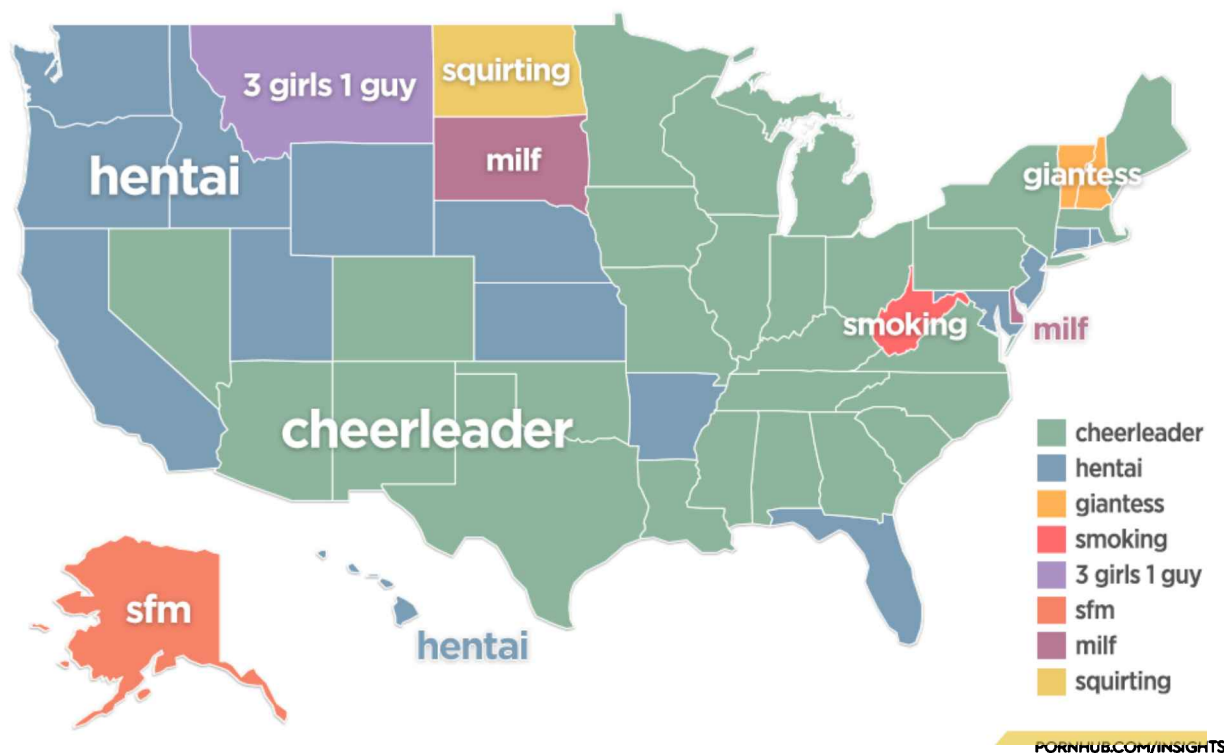

Below are the top gaining searches of 2017 by state, based on their proportional increase in popularity compared to the previous year. ‘Cheerleader’ gained the most searches *down south*, however, the cooler states were feeling just as cheery this year (Wisconsin, Michigan, New York etc). The search for ‘Giantess’ aka a female giant was the **BIGGEST** increase for Vermont and New Hampshire...reasons unknown but would likely be hard to miss if we stumbled upon it.

More West Virginian’s took up ‘smoking’ (searches) in 2017, and North Dakota showed more interest in ‘squirting’. Many parts of the U.S. followed the worldwide trend and discovered ‘hentai’ in 2017. In Alaska — the only state where ‘hentai’ actually ranks #1 — searches increased in 2017 for ‘sfm’, short for Source Filmmaker, a popular 3D modelling tool used to generate hentai porn videos.

Top Gaining Searches of 2017

We have some interesting finds for relative terms searched more often when compared to other states! Specifically, in North Dakota and Alaska where the ‘do not cum challenge’ was more searched than anywhere else in the USA. It’s a game where you follow three simple rules and all the while, try not to cum (we can guess how this game finishes). Much of hentai’s popularity appears to come from the eastern states like Washington, Oregon, California, Nevada and Arizona. Searches for ‘milf’ are more popular in central states like South Dakota, Kansas, Iowa and Wisconsin.

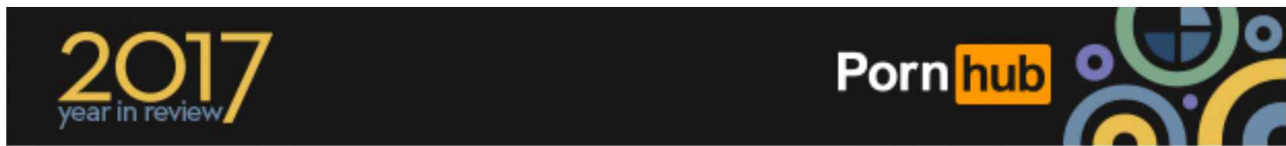

The hairiest state in the union happens to be Wyoming, where ‘furry’ (which is exactly as it sounds, but worth a google search) is searched more often than anywhere else in the country. Visitors from Colorado are more likely to search ‘pov’ (point of view) videos. Searches for ‘giantess’ were big up-north, along with ‘orgy’. In 2017, a large number of Southern states showed their lover for interracial porn with ‘black girl white guy’ being

New York, Boston & Philadelphia

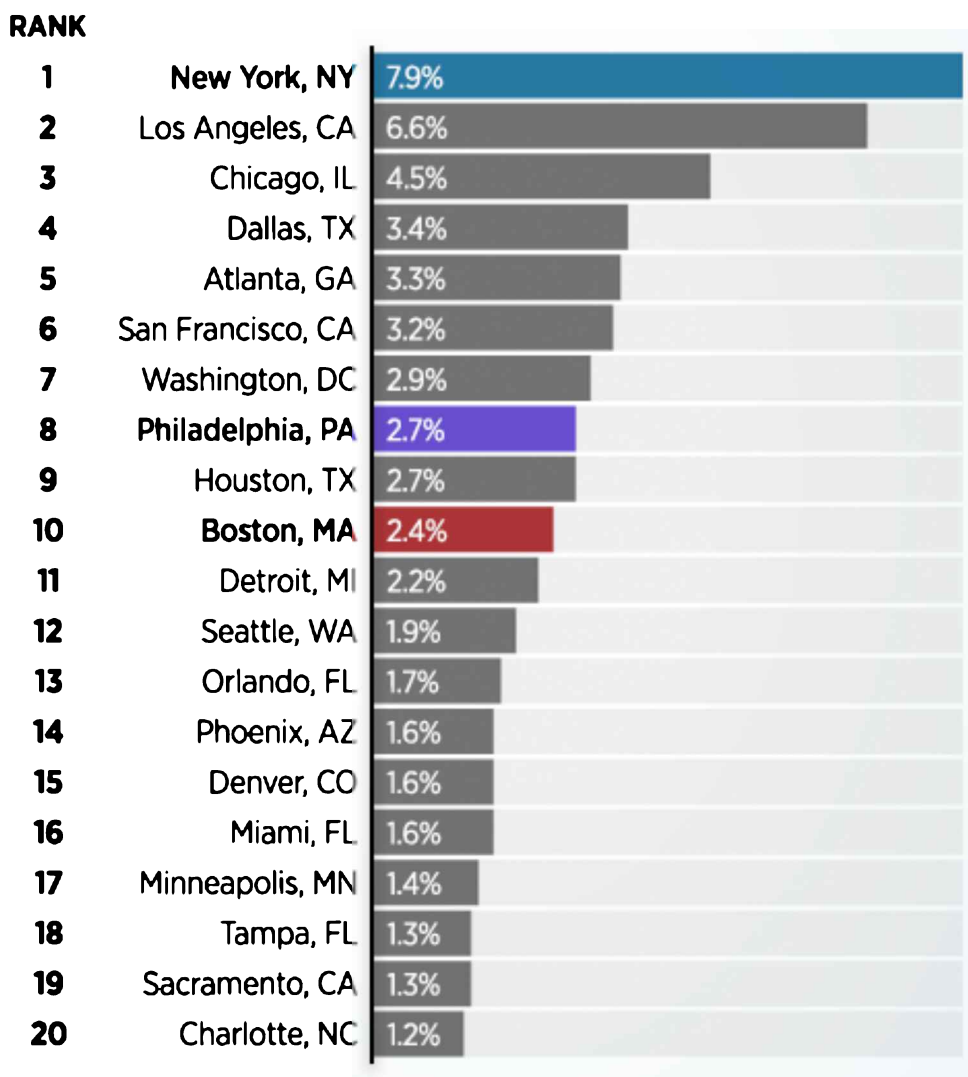

0 comments May 25, 2017

In this edition of Pornhub Insights, we're joined by our friends at Metro US to look at the porn viewing habits of three of the largest cities in the United States. New York city accounts for nearly 8% of all U.S. traffic, while metro area Philadelphia ranks 8th with 2.7% of traffic and Boston at 10th with 2.4% of U.S. traffic. Visitors from New York and Boston both spend about 17 seconds less time on Pornhub compared to the national average visit time of 10 minutes 26 seconds, while visitors from from Philadelphia manage to hold out for 8 seconds longer.

Porn

Proportion of US Traffic by City Region

pornhub.com/insights

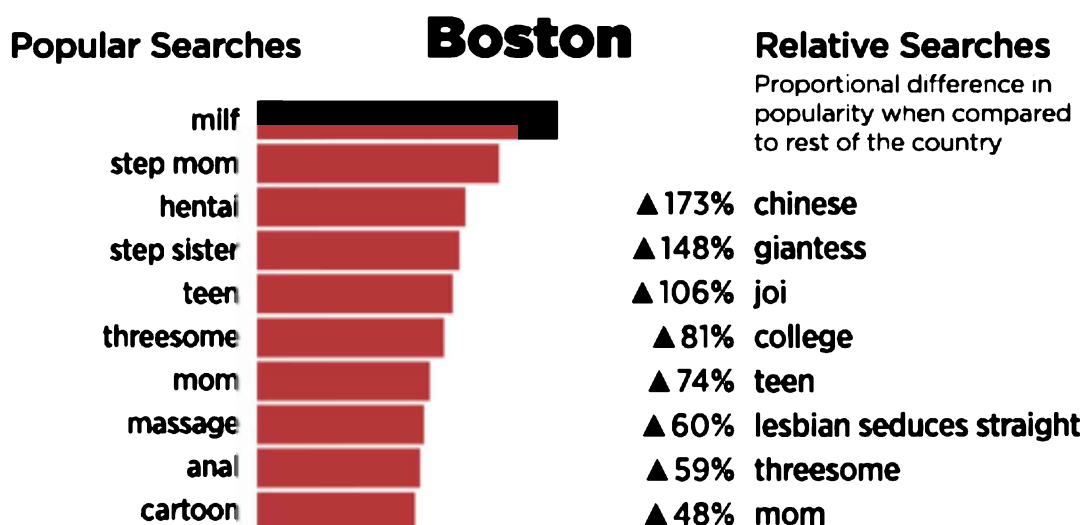

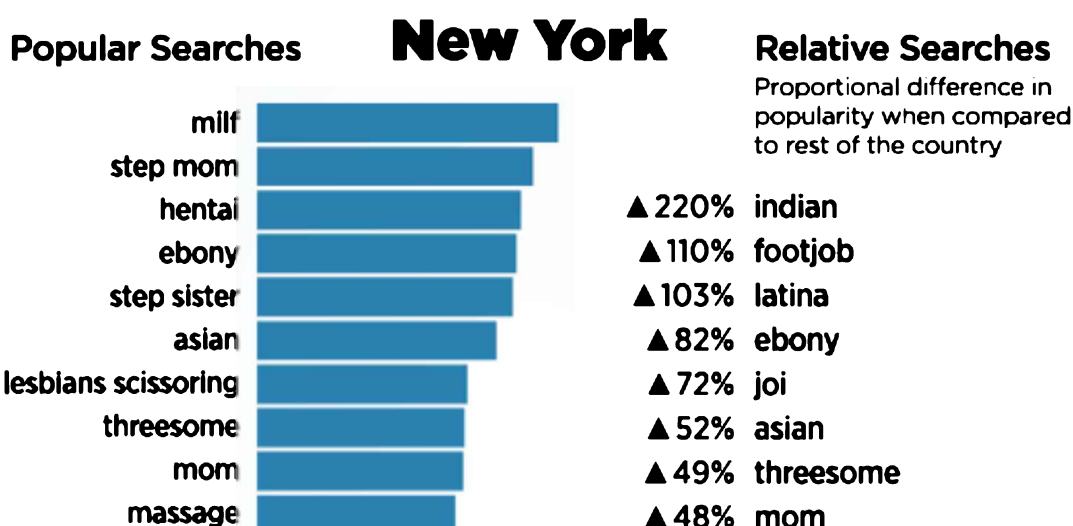

The most popular search terms in New York and Boston are ‘MILF’, ‘step mom’ and ‘hentai’. Philadelphia beats to a different drum, with ‘lesbian’ ranking first, following by ‘MILF’ and ‘step mom’. We find it interesting that while lesbian consistently ranks as one of the top search terms in the United States, it doesn’t make the Top 10 list in either New York or Boston, although ‘lesbian scissoring’ searches are popular in N.Y.C.

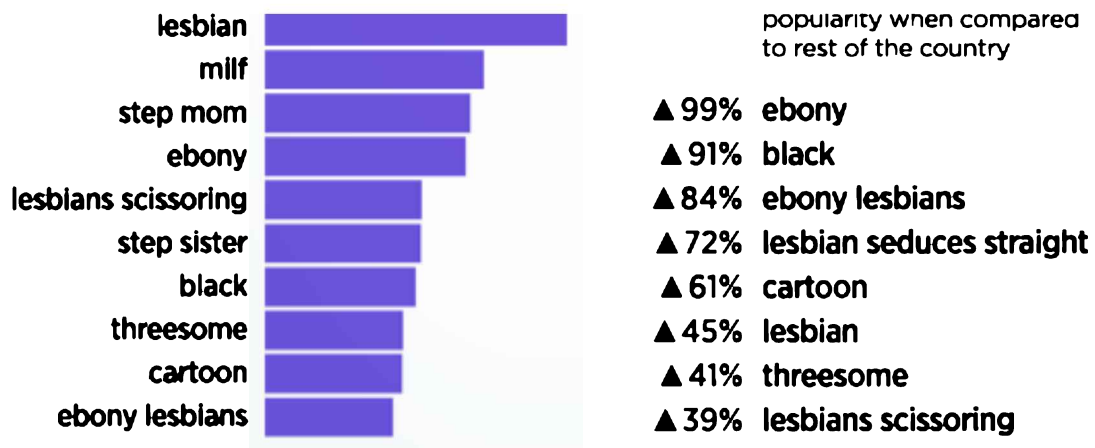

The diverse ethnicity of these cities shows through in their relative search

term popularity. When compared to the rest of the United States, searches for 'indian' are 220% more popular in N.Y.C., 'latina' is 103% more popular and 'asian' 52% more. In Boston, 'chinese' is 173% more popular than elsewhere in the U.S., and in Philadelphia 'ebony' and 'black' are both more than 90% more popular.

Porn

Most Popular Search Terms

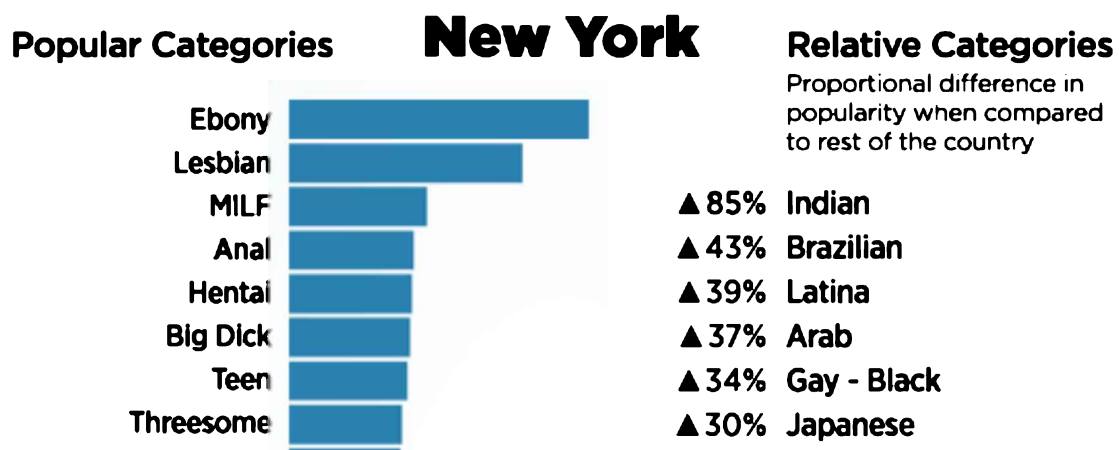

pornhub.com/insights

Ebony, Lesbian and MILF are the most viewed video categories in all three metro areas. Once again, ethnic categories shine through in New York when compared to the rest of the U.S., with an 85% increase in popularity for Indian, 43% for Brazilian, 39% for Latina, 37% for Arab, along with Japanese and Asian.

In Boston, Bondage is 25% more popular, as well as 20% for Female Friendly and 19% for Blowjob. In Philadelphia, the Gay – Black category is 47% more popular than elsewhere in the U.S., as well as a 33% increase for Ebony videos.

pornhub.com/insights

Lisa Ann is the most searched for pornstar in New York, while Riley Reid takes the top spot in Boston and Philadelphia. In New York, Asa Akira is 110% more popular than elsewhere in the U.S., while Boston sees a 131% increase for Rachel Starr and Philadelphia goes for Cherokee D Ass 142% more often.

Porn 

Most Searched for Pornstars

[pornhub.com/insights](https://www.pornhub.com/insights)

We hope you enjoyed this edition of Pornhub Insights. Are there other U.S. cities you would like to learn about? Let us know in the comments below!

The kingdom of heaven has come near !

Porn Deliverance

I say to the true people of God, now you must come out of her! Come out of pornography!
Come out of mystery babylon, the harlot!

Then I heard another voice from heaven say:

“**Come out of her, my people,**
so that you will not share in her sins,
so that you will not receive any of her plagues;
for **her sins are piled up to heaven,**
and **God has remembered her crimes.**” Revelation 18:4-5

Those who want to come out of pornography and never return to the filth, let us repent
and return to JESUS right away,

Say,

Dear Jesus, Mighty Father, Precious Holy Spirit. I am sinner. I have sinned against you and
against my own body, which is the temple of the Holy Spirit. I have defiled your temple
with sexual sin, pornography and wickedness. I have become the body of the harlot.
Please forgive me. Disconnect me from the mystery babylon spirit and all unclean spirits.
Disconnect me from filthy jezebel. Disconnect me from all ties to demonic spirits.
Disconnect me from spiritual ties to satan. Make me clean LORD JESUS, make me once
again into the temple of the HOLY SPIRIT. Help me not to be defiled again. Help me
JESUS not to return to sexual sin and porn. I repent of idolatry, lies, and all wicked acts.
Please forgive me. Today I am born again and I am receiving you JESUS, I am receiving
you FATHER, I am receiving you HOLY SPIRIT. Amen.

WARNING!

“**Flee from sexual immorality.** All other sins a person commits are outside the body, but
whoever sins sexually, sins against their own body. Do you not know that **your bodies are**
temples of the Holy Spirit, who is in you, whom you have received from God? You are
not your own; you were bought at a price. **Therefore honor God with your bodies.**” 1
Corinthians 6:18-20

If you REJECT THIS INSTRUCTION, THEN YOU HAVE REJECTED GOD, for it is
written,

“For God did not call us to be impure, but to live a holy life. Therefore, anyone who rejects this instruction does not reject a human being but God, the very God who gives you his Holy Spirit.” 1 Thessalonians 4:7-8

May the LORD JESUS write and keep the names of all who have repented here. Amen.

Shalom.

Muranda wa Mwari
